Campbell Scientific (Canada) Corp. Products Ordering Information and Warranty Policy

PRICES: Prices are subject to change without notice.

WARRANTY POLICY: Campbell Scientific (Canada) Corp. (CSC) warrants its products to be free from defects in materials and workmanship under normal use and service for twelve (12) months from date of shipment, unless otherwise specified on the Price List, and subject to the following conditions:

CSC's obligation under this warranty is limited to repairing or replacing, at CSC's option, products that have been returned prepaid to CSC. CSC will return warranted equipment prepaid by surface carrier. This warranty shall not apply to any CSC products that have been subject to misuse, neglect, accidents of nature, or shipping damage. Batteries are not warranted. Under no circumstances will CSC reimburse the claimant for costs incurred in removing and/or reinstalling equipment at a test site. This warranty, and CSC's obligation thereunder, is in lieu of all other warranties, expressed or implied, including warranties of suitability and fitness for a particular purpose. CSC is not liable for consequential damages.

EQUIPMENT REPAIR: Products may not be returned without a purchase order and Return Materials Authorization (RMA) issued by our office. The RMA number must clearly appear on the shipping container, all documentation, and the returned equipment. In order to accelerate turn around time and reduce service charges, a detailed description of the problem should accompany the item to be repaired. Repair charges are \$100.00/hour with a minimum labour charge of \$100.00.

QUANTITY DISCOUNTS: Quantity discounts listed below are per line item on a single purchase order. Eligible sensors must all have identical cable lengths. Cable quantities on all "-L" models are eligible for a maximum discount of 7% on total lengths of 1000 feet or more per line item. **Note:** Quantity discounts apply only to those items listed on our published price list unless otherwise noted.

| <u>Quantity</u> (units) | <u>Discount</u> |
|----------------------------|-----------------|
| 10 - 24 | 7% |
| 25 - 99 | 10% |

EDUCATIONAL DISCOUNT: A 3% educational discount for products on our published price list is available to universities, colleges and school boards ordering in quantities of 1 - 9 units only. When 10 or more units are ordered, only the quantity discount as indicated above will be allowed. The educational discount is not available for parts and labour (including installation), training, or consulting.

PAYMENT TERMS: Net 30 days on approved credit, Visa or Master Card. Applications for credit are required for non-university institutions and non-government agencies. If application for credit is made, please supply one bank reference and two trade references. Approved credit requires 30 days to arrange.

SHIPPING POLICY: All shipments are F.O.B. Edmonton, AB with freight and insurance prepaid and added to the invoice as a separate item. Orders can be shipped collect upon request.

DELIVERY: Standard delivery is 60 days A.R.P.O. (After Receipt of Purchase Order). When possible, a two-week delivery can often be accommodated based on order size and product selection. Under special circumstances, CSC reserves the right to apply an expediting charge to meet delivery requirements shorter than 60 days. The expediting fee will be applied at a rate of 15% of the total amount invoiced, with a minimum charge of \$50.00.

SALES TAX: The Goods and Services Tax (**GST**) or the Harmonized Sales Tax (**HST**) is indicated as a separate line item on all invoices. Agencies who are GST or HST exempt must provide a valid exemption number, stamp or certificate at the time of ordering.

RE-SHELVING FEE: Under some circumstances, CSC may approve the return of unused products for exchange or credit. CSC is under no obligation to accept the return of any product. Specialty items such as custom cable length sensors or any non-standard products that are not included on our Price List may not be returned. A re-shelving fee will be charged at a minimum rate of 15% of the invoiced price of the item(s) with a minimum charge of \$50.00. CSC must issue a RMA number prior to the return of any product. All shipping charges are the responsibility of the customer and are in addition to the re-shelving fee.

CANCELLATION OF PURCHASE ORDER: Campbell Scientific (Canada) Corp. reserves the right to assess a 15% surcharge for cancellation of any purchase order in whole or in part for standard products listed on our published Price List. Specialty items, such as custom cable length sensors or any non-standard products that are not included on our Price List, may not be cancelled once the purchase order is received.

SHORTAGES AND/OR DAMAGES: Claims must be reported to Campbell Scientific (Canada) Corp. within seven (7) working days after delivery of goods to the customer.

ORDERING LOCATION:

Shipment of Manuals Policy

Campbell Scientific (Canada) Corp. (CSC) distributes manuals and product information in an electronic format. Our Resource CD will be enclosed with each order in place of paper manuals and should printed manuals be required, you will be able to simply print them from the literature that is contained on the CD. CSC will honour requests for printed manuals at no additional cost at the time your order is placed. However, a cost will be invoiced for manuals requested after the order has been shipped.

NOTE: Custom built and special order product literature will not be included on the Resource CD. CSC will continue to ship these items with paper manuals at no additional cost.
